

Dear Parents/Carers

### **Breakfast Club changes**

In partnership with Aspens Catering we have been reviewing our Breakfast club provision and costs over the last few months. After receiving feedback from some parents we have decided to trial the following until the end of the year.

From Tuesday 31<sup>st</sup> October 2017, the following will change:-

- The daily booking fee will reduce to **£2.00** and this can be booked and paid for on line.
- A new menu will be introduced that offers more choice. Please see attached menu for daily options.
- **Importantly** children will need to bring in payment for their breakfast on a daily basis.

Due to the increase in pupil intake, we have employed a third member of staff. Whilst we do not run the club to make a profit, the school must receive enough income to cover running costs which includes staffing and administrative costs etc.

We will therefore review the clubs income and expenditure costs again in the New Year.

Thank you for your continued support

Yours sincerely
