

Zebra and Giraffe Class Homework

Term 1

Our homework this term links to our theme
“What a Wonderful World”.

This term, we would like the pupils to complete a project on an animal of their choice. They may wish to make a model of the animal’s habitat, they could draw the animal and write a story about it, produce a fact file about the animal or something else – it is completely up to you! This should be worked on over the next 6 weeks.

The homework should be completed alongside regular reading (at least 5 times per week, to an adult at home), and number bonds practice (adding to 10, then 20, then 100 as able). We have also included a hand writing pack for the children to complete.

The project should be ready to hand in by Friday 19th October. Please ensure it is clearly named.

Many thanks,

Miss Scadding and Miss Parsk.

If you have any questions/ need support, please ask!
