

Stingray and Starfish Creative Homework Task Term 2

This term our creative homework task is once again linked to the children's learning about the "Amazing Amazon." We would like the children to design a 'gadget' that you think would help you survive if you were lost in the Amazon rainforest!

Let your imagination flow and think about the environment you are lost in. You could design it on paper or a computer – don't forget to label it and explain how it works! It would also be **amazing** if you could make a model of your gadget.

Creative homework is due in on Friday 14th December.
