Aims & Objectives

We aim to provide high quality clubs that meet the needs of both parents and children. For parents, this means knowing that your child is safe and happy in a club that is reliable and offers a consistent service. For a child this means an environment that is safe, supportive and encouraging. It is a place to be with friends and make new ones and to be able to try out new activities, relax, have fun and enjoy.

We believe all children have the right to play. Play is the basis to providing healthy development and the well-being of individuals. The club will provide a balanced structure of activities and play experiences.

Booking

Parents are encouraged to book in advance as both clubs are popular. If there is an emergency or unexpected event, parents can contact the office who will check for availability. Booking procedures are available from the office for anyone who has not previously used the online system.

Prompt collection procedures

It is important that children are collected promptly as it can be distressing for children when parents are late arriving and means the staff and Caretaker have to remain to close the school. Children may be collected at any time prior to this but must be collected by 6pm at the latest. Parents who arrive after 6pm will be asked to sign a late book. Parents who arrive late twice will be informed that a further lapse may result in their bookings for that term being withdrawn; no refunds will be available in this instance. They will be allowed to resume the following term, however in the event of further late collections, bookings may be withdrawn for the rest of the academic year.

Accident and Emergency Procedures

If your child has an accident at either club we will endeavour to contact you as soon as possible. If emergency treatment is required one member of staff will accompany your child to the hospital. You will be asked to meet the member of staff at the hospital. All accidents that result in hospitalisation are recorded electronically in school and passed onto the Local Authority.

Sick child procedure

Parents must inform the club if your child has any known medical condition or health problem, or has been in contact with infectious diseases. Parents must comply with the exclusion guidelines in operation at the school, and children must not be brought to the club if unwell. Your child's welfare is our main concern and in the interests of the remaining children, if in the opinion of the staff a child is ill, then the parent/carer will be contacted to collect their child as soon as possible. The staff must be happy that the child is fully recovered before he/she is allowed to return.

Infectious & Communicable Diseases

It is our policy to promote good health and hygiene for all children in our care. This includes monitoring the children for signs and symptoms of communicable diseases such as chickenpox, measles, rubella, diarrhoea, vomiting and fevers of 101 deg F or 38 deg C or over.

Parents Authority

Parents authorise the clubs to take all necessary action to safeguard and promote the welfare of the child.

Parental Support

Parents are expected to give their support and encouragement to the aims of the After School Club and ensure that appropriate standards of punctuality, behaviour, discipline and hygiene are maintained.
