

From September we will be introducing a more convenient way to pay for school meals using a secure service called Parent Pay. This will be run by ABM (the schools caterers) and the orders and payments will go direct to them.

This system will be used by parents/carers across the school, for all children including those children in receipt of Universal Free School Meals (UFSM) and income related Free School Meals. Whilst no payments will be required for these children, parents/carers will still need to BOOK the meal in advance to ensure that a meal is ordered and provided.

PLEASE NOTE that parents/carers should continue to use Sims Pay for ALL other payments ie trips, Breakfast and Stay & Play club.

ParentPay will be live at school on **1st September 2019** providing a cash-free environment for parents/carers to book & purchase a SCHOOL DINNER for their child. If you are unable to make payments online, ParentPay offer the facility to make payments by cash using the PayPoint network at local convenience stores.

Making secure payments online using your credit or debit card

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password; you will be prompted to change these, and to keep them safe and secure. If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

Taking cash by PayPoint

PayPoint payments are recorded by ParentPay and can be seen by logging into your ParentPay account and viewing your payment history online. The nearest PayPoint stores to school are Costcutter at 26 Tower Road South, Asda Longwell Green and Tesco Express stores.

Please notify the School Office if you wish to use the PayPoint facility. A plastic card will be issued to you to make cash payments for school meals at local PayPoint stores. The first card is free of charge; however, there is a small charge for any lost or damaged cards. Payment cards take about two weeks to arrive, but we can issue a barcode letter as an interim measure.

You will receive your unique ParentPay Account activation details by 19th July 2019

ParentPay FAQs

- **When can I log in to my account?**

Once you have received your activation letter from school with your activation login details you will be able to activate your account and start making payments. This letter will be sent to you soon by your school.

- **Which cards can I use?**

ParentPay accepts MasterCard, Visa and American Express credit cards, and Maestro, Switch, Delta, Electron, Solo and Visa debit cards. Some schools may limit the use of credit cards for some transactions; you will be informed by the school directly of any such restrictions.

- **Is it safe to make payments on the internet?**

Yes. ParentPay uses leading technology to process your card transactions securely. All communication with the bank is encrypted and neither ParentPay nor the school have access to your card details.

- **How can I check that it's secure?**

Standard website addresses begin with *http*: the address for a secure site will always begin with *https*. You will also see a padlock at the bottom/top right of the screen on our login page and after you have logged into your account; never enter your card details or personal data on any web page whose address does not start *https*.

- **What about our personal information?**

ParentPay Limited, and its group companies, operate in full compliance with Data Protection Law; Including the Data Protection Act 1998 and the General Data Protection Regulation (EU) 2016/679.

The ParentPay Terms and Conditions include a Data Processing Agreement (DPA), compliant with the GDPR, which details both parties' obligations relating to Data Protection.
