EYFS Phonics workshop

Dear Families,

We would like to invite you to attend one of our Phonics Workshop sessions that we will be running in September. We highly recommend that you attend these sessions, even if you already have children at the school, as there may be new tips and reminders of strategies for you that will be really beneficial to support your child at home. Phonics is a really important part of your child's learning as it impacts their ability to read and write which opens up their access to all curriculum areas. Our most successful children are those that are regularly supported at home using the same strategies used at school. Both workshops will have the same content but will be delivered on different days at different times to try to enable the maximum amount of people possible to attend. We will also provide you with some further information and resources, as well as a guide to support your child with their home learning phonics activities.

➤ **Phonics Workshop 1 – Tuesday 19th September at 2.00pm**

During this session we will be able to look after your child in the classroom until the workshop has finished.

➤ **Phonics Workshop 2 – Thursday 21st September at 5.00pm**

These workshops should last no longer than an hour. We ask that you do not bring children to these workshops to enable all parents and carers to be able to listen and concentrate to what is being presented and explained.

We strongly encourage all of our families to attend so that we can work in partnership to support your children to learn to read and help to nurture a life-long love of reading. Please email office@christchurchhanham.org.uk to inform us which session you will be attending along with the number of adult spaces you require. Whilst we desire all parents to attend, we will also be running the meeting on Microsoft Teams for anyone who is unable to make it in person. Please email the office to request the live link if you are unable to attend in person.

We look forward to working with you.

Yours faithfully,

Miss Vyas and Mrs Kat
