CCH Weekly Bulletin #4

Whole School Information

The first month of the new school year draws to a close and what a week it has been! A whole school focus on languages as part of European Languages Day; scooter training; class trips; and a winning start to the new sporting season with our Tag Rugby Team winning five out of five games!

This week, Miss Shauna Buckley has joined CCH as our PPA teacher. We have also welcomed four new pupils to our CCH family- a huge welcome to Azra, Sumeyye, Kahil and Hari. We are so happy to have you as part of our community 😊

School Census Day Special Menu

Census Day is a key date for schools. The DfE provide funding to schools based on the number of pupils who register for a school meal on this date. **We, therefore, strongly encourage all children to have a school lunch on this date.** It is especially important that any child who is in EYFS and Key Stage 1 and those who are in receipt of income-related free school meals, take a school lunch on this date.

Given the current financial climate and the impact upon school budgets, we will be ordering a school hot meal for every pupil in EYFS, Year 1 and Year 2. It would be fantastic to have all children trying a school lunch on this day but please feel free to send your child in with a packed lunch if they would prefer.

In order to increase our lunch numbers, **ABM have put on a special menu for Thursday 5th October** (see opposite).

Parent Workshop Opportunity

This year we will be running a series of parent workshops. The workshops will be hosted by Matt, the schools Education Mental Health Practitioner (EMHP), and supported by members of the inclusion team. The workshops are open to all of our families and we encourage you to come along if you feel it would be relevant to your family.

This terms workshop is 'Managing your child's worries and anxiety at home'. It will take place in the school hall on **Thursday 12th October between 8.00-8.45am**. The content of the workshop has been prepared for an adult audience so where possible we ask that you attend without your child. We do acknowledge a small number of parents may need support with childcare so feel free to ask if we can help.

If you would like to reserve a place please let a member of the school office team know.

Starting School in September 2024

Do you have a child due to start school in September 2024 or know a family who does? If so, please share the attached leaflet which advertises our offer for prospective parents.

Reading Volunteers

We are looking for some parent or family helpers to volunteer some time to listen to children read. Reading is a key part of life at CCH and we want to ensure that children are given the opportunity to read aloud as often as possible.

If you can spare a bit of time during an afternoon to help us with this, please contact the school office to let us know.

Looking for New Governors

CCH is looking for some new governors. We have a few co-opted vacancies and we are looking for people with specific skill sets linked to education, finance and health and safety. If you know anyone within the community who might be interested in playing a key role in our school, please ask them to contact the school office.

Dates for your diary
