Year 4 trip to Wessex Water

Dear Families,

In Term 2 we will be studying water and the water cycle. To enrich your child's learning, we have organised a visit to Wessex Water in Weston Super Mare. We will have a workshop and a guided tour as part of the trip.

The trip will take place on **Wednesday 1st November 2023**. We will leave school after registration and will return before the end of the school day. The children will be required to wear **school uniform**. Please also ensure your child has a **waterproof coat** and **sturdy shoes/trainers**.

Please bring a packed lunch in a named rucksack style bag. If you require a school sandwich, please order in the usual way on ParentPay and ensure you select a sandwich option.

To fund the trip and transport, we require a voluntary donation of **£10.45** per child, which must be paid through ParentPay. If your child is in receipt of income-related free school meals and you feel that you may not be able to make the full voluntary contribution, please contact the school office.

Due to the current economic climate, we have seen an increase in coach costs but we feel it is still important for the children to have different experiences through school trips. However, if the cost is not met, it may be necessary to cancel the trip. Please contact the office if you have any questions about the trip and making a payment.

Please pay the voluntary contribution via ParentPay by **Friday 20th November 2023**.

Yours faithfully,

The Year 4 Team
