Parent/ Carer/ Visitor Code of Conduct

Dear Families,

Attached with this letter is our new Code of Conduct written for parents/ carers and visitors to Christ Church Hanham.

As a Church of England school, we pride ourselves on creating an ethos and culture of love and respect for every child within our school based upon strong, honest and positive relationships. Our families are a vital part of our school community and play a vital role in supporting our children to make the very most of each school day.

However, on occasion, we understand and accept that our views may differ or decisions we make as a school may not align with the views of every parent/ carer. We welcome feedback at all levels and we are always keen to ensure that parents/ carers work constructively with the adults in school. Unfortunately, in recent months, school staff have experienced some behaviour from our parent community that is not consistent with the vision and values of our school. No adult comes to school without the very best of intentions for nurturing and supporting every child. Where our views are not in agreement or, if we have made a mistake, we will always be honest with families and explain the reasons behind our decisions.

This Code of Conduct sets out the expected behaviours we expect from all adult members of our school family. The aim of this guidance is to frame our collective expectations and responsibility for ensuring that relationships, behaviour and conduct are always rooted in our vision and values. By doing so, we can ensure that even difficult conversations can be held with dignity and respect for each other. I would like to draw particular attention to both the guiding principles and the unacceptable behaviours which can be found on page three of the Code.

Through positive, trusting and respectful relationships, we can ensure that all members of our school community continue to work effectively together in order to ensure that every child is able to grow and flourish.

Thank you for your understanding and continued support.

Yours faithfully,

Neil McKellar-Turner
Headteacher
