Extra-Curricular Clubs- Term 5 and 6

Dear Families,

I am delighted to be able to share our extended extra-curricular clubs offer for the summer term. This is in addition to the Proformance clubs which are already up and running.

In line with our school vision of Nurture-Grow-Flourish, we want to ensure that our children have the opportunity to experience a wide range of opportunities during their school life; this will enable them to discover new skills and interests and help them to learn more about themselves. As you will see below, we have another fantastic range of clubs on offer this term led by our teaching staff. This is a great opportunity for us to build relationships with different children as well as helping them to see that learning comes in all forms!

The club offer is presented in the table below but please take note of the following points:

- Choir will run **every week** apart from the first week of each term.
- All other clubs will run for **5 sessions** starting the week beginning **6th May 2024** and ending during the week beginning **10th June 2024**.
- All after school clubs will **finish at 4.30pm** unless indicated otherwise.

If your child would like to take part in one or more of our after school clubs, please sign up via ParentPay. Bookings can be made from **Friday 26th April at 3.00pm**. You do not need to book for lunchtime clubs. There is no charge for any of our teacher-led clubs. Should a club be oversubscribed then we will operate a waiting list.

The following clubs will run for 6 sessions starting w/b 6 th May 2024 <u>during lunchtimes</u> . There is no need to sign up for these- just come along!

As always, we anticipate interest to be high. It is really important that if provided with a place, **your child attends regularly and does not decide to pull out of the club during the term**. This is frustrating for the staff as well as other children who may not have been able to secure a space. If your child is unwell and is unable to attend, please inform the school office as soon as possible so that we can update the registers.

Children will need to be picked up at the finish times stated above from the following collection points:

- Outdoor/ sport clubs- collect children from the double green gate/ kitchen area
- Indoor clubs- collect children from the main foyer

In order to help us keep the site secure for the children who use our wrap around care facilities, we please ask that parents/ carers only wait in the two designated collection points and do not come onto the KS2 playground.

We look forward to seeing many more children grow and flourish through our extra-curricular activities.

Yours faithfully,

Neil McKellar-Turner
