CCH Weekly Bulletin #29

Whole School Information

This week has really shown how far our school has come in the past few years. Many people have commented on our children's excellent manners, care for one another and respect for everyone they meet. We are blessed to have such polite and loving young people who want to form such excellent relationships with the staff in school as well as upholding our values on trips and when welcoming visitors to our school.

Enjoy the long weekend☺

Attendance

Our goal is for attendance to be, at least, 97%. **This week's whole school attendance is 95.0%.** There are some worryingly low attendance figures in certain year groups this week. It is vital that all children are in school unless they are unwell. Please promote the importance of attendance- this is so important for pupils in Year 6 who need to be in school in the final weeks before they sit their tests.

Class	Weekly Attendance	Class	Weekly Attendance
EYFS	99.1%	Eva Ibbotson	97.6%
Jill Murphy	97.5%	Michael Morpurgo	95.4%
Oliver Jeffers	91.1%	Berlie Doherty	94.2%
Emily Gravett	97.5%	Malorie Blackman	92.9%
Cressida Cowell	95.4%	William Shakespeare	89.0%

Well done to the classes in green for meeting or exceeding our target of 97%.

Teacher-led Clubs

Next week, our teacher-led clubs begin again. You have hopefully signed your child up to one of the after school clubs on offer. We will also be running a range of lunchtime clubs (listed below). There is no need to sign up for these ones; please remind your child of which day the club they want to attend is on.

Last year, this event really brought CCH together as a family and community. The sponsorship allowed us to create our brand new Forest School. This year, we will be running in order to raise money to further develop and enhance our playground with the creation of seating areas and reading pods.

Please share the above link with friends and family and help us get across the finish line- both physically, and in terms of reaching our target of £2,000.

Bikeability

Cycling Training for the 21st Century
SCHOOL HOLIDAY CYCLE TRAINING COURSE

BEFORE BOOKING YOUR COURSE, PLEASE READ BELOW CAREFULLY!

- All courses are subject to a £5 Booking Fee which is Non-refundable.
- Places are limited so these are booked on a first come basis.
- The child must have a roadworthy bike with 2 working brakes and have a properly fitting helmet.

Bikeability Learn to Ride

This session is for children who are unable to cycle, including older children who have never mastered the skill. Session 1 ½ hours. **This course is for School Year 3 and above.**

Level 2

Consists of two morning sessions, there is an initial assessment in the playground covering level 1 skills to ensure they are ready for on road training. Once out on the road they will learn about road position, which road user has priority and when, how to recognise typical hazards as well as manoeuvring through junctions. **This course is for School Year 6 and above who can cycle.**

Level 3

Aims to equip riders with skills for more challenging roads and traffic situations such as passing queuing traffic, road narrowing, understanding blind spots and how to perceive and deal with hazards. **All riders MUST have completed a level 2 course to an acceptable level prior to enrolling on this course. An acceptable level is where on the back of their level 2 certificate each box is ticked either Independently or With More Practice. If any of the boxes are ticked as either With Some Assistance or Not Yet Attempted they should attend another level 2 course. Most riders will need time to absorb the level 2 skills and put these into practice, hence they MUST NOT attend a level 2 and level 3 course within the same holiday period.**

Courses are being held at Bradley Stoke Community Secondary School, Fiddlerswood Lane, BS32 9BS

To book on one of the above courses please log onto <https://southglos.cycleready.co.uk/publicbooking>

All Instructors are DBS checked and work for the Council's Road Safety Team. Bikeability certificates are awarded to all trainees who successfully complete the course.

Please note courses are subject to a minimum number of children attending on the date. Locations of training may vary according to availability.
