Extra-Curricular Clubs- Terms 5 and 6

Dear Families,

I am delighted to be able to share our extended extra-curricular clubs offer for the summer term.

In line with our school vision of Nurture-Grow-Flourish, we want to ensure that our children have the opportunity to experience a wide range of opportunities during their school life; this will enable them to discover new skills and interests and help them to learn more about themselves. As you will see below, we have another fantastic range of clubs on offer this term led by our teaching staff. This is a great opportunity for us to build relationships with different children as well as helping them to see that learning comes in all forms!

The club offer is presented in the table below but please take note of the following points:

- Proformance Coaching clubs (chargeable) will run for **term 5 only**.
- Choir will run **every week** apart from the first week of each term.
- All other clubs will run for **6 sessions** starting the week beginning **28th April** and ending during the week beginning **9th June**.
- All after school clubs will **finish at 4.30pm** unless indicated otherwise (highlighted in yellow).
- **Lunchtime clubs do not require pupils to sign-up**. Please just turn up on the day.

To book the following clubs, led by Proformance, please click on the links below:

As always, we anticipate interest to be high. It is really important that if provided with a place, **your child attends regularly and does not decide to pull out of the club during the term**. This is frustrating for the staff as well as other children who may not have been able to secure a space. If your child is unwell and is unable to attend, please inform the school office as soon as possible so that we can update the registers.

Children will need to be picked up at the finish times stated above from the following collection points:

- Outdoor/ sport clubs- collect children from the double green gate/ kitchen area
- Indoor clubs- collect children from the main foyer

In order to help us keep the site secure for the children who use our wrap around care facilities, we please ask that parents/ carers only wait in the two designated collection points and do not come onto the KS2 playground.
