Enrichment Opportunities- Term 1 and 2

Dear Families,

We are delighted to share our enrichment opportunities for the autumn term. We asked each class what they would like us to offer and the list below reflects the key enrichment opportunities requested.

In line with our school vision of Nurture-Grow-Flourish, we want to ensure that our children have the opportunity to experience a wide range of opportunities during their school life; this will enable them to discover new skills and interests and help them to learn more about themselves. As you will see below, we have a fantastic range of opportunities and clubs on offer this term led by our teaching staff. Our team are kindly giving up some of their time to provide these opportunities as we seek to support everyone to reach high and dream big!

The club offer is presented in the table below but please take note of the following points:

- Cricket Club runs **every Monday for term 1** and is organised by an external organisation. Bookings are made via this link for this club only <https://booking.ecb.co.uk/oYX27z>
- Choir will run **every week** apart from the first week of each term.
- All other clubs will run for **7 sessions** starting the week beginning **28th September 2026** and ending during the week beginning **16th November 2026** (apart from Chess club which will have 6 sessions due to inset day on Monday 19th October 2026).

If your child would like to take part in one or more of our lunchtime or after school clubs, please sign up via Arbor. Bookings can be made from **Sunday 20th September at 5.00pm**. There is no charge for any of our teacher-led clubs. Should a club be oversubscribed then we will operate a waiting list.

As always, we anticipate interest to be high. It is really important that if provided with a place, **your child attends regularly and does not decide to pull out of the club during the term.** This is frustrating for the staff as well as other children who may not have been able to secure a space. If your child is unwell and is unable to attend, please inform the school office as soon as possible so that we can update the registers.

In order for us to participate in the boys' and girls' football events this year, we need the squad to train regularly so that we can fulfil our fixtures so please ensure you speak to your child about the importance of regular attendance and commitment to the team.

For after- school clubs, all children will need to be picked up at the finish times stated above from outside the main school office.

We look forward to seeing many more children reach high and dream big as they flourish through our exciting enrichment opportunities.

Yours faithfully,

Neil Turner
